

Co-Chairs: Helen Hurst and James Burton

Programme Planning Committee: Harriet Williams, Paula Ormandy, Maarten Taal, Karen Jenkins, Ken Farrington, Louise Wells, Simon Ball, Roger Moore, Mick Kumwenda, Fiona Loud, Neluka Weerasooriya, Emily Horwill, Rob Lewis, Sharlene Greenwood, Alice Higgins

Wednesday 26th April

09:00 – 09:30	Registration and coffee for RNG members only	EMCC
09:30 – 10:15	<i>BDA Renal Specialist Group AGM (RNG members only)</i>	EMCC
10:30 – 12:00	<p>RNG Shared learning - facilitated discussion 1 and 2</p> <p>Choice of topics: <i>(You will be asked to choose 4 out of the following topics for discussion during these sessions)</i></p> <ul style="list-style-type: none"> • Dietetic services to MDT low clearance clinic • Dialysis biochemistry review meetings 	EMCC

	<ul style="list-style-type: none"> • Moving forward with patient resources – who is using what (internet and app resources) • Renal dietetic team leaders/managers challenges and threats to dietetic funding • MDT patient management eg joint physio and dietetic weight management clinics • Use of nutrition screening tools • Doing dietetic audit and research as part of your clinical role • Patient and public in improving dietetic services and research ideas 			
12:00 - 13:00	Registration for all BRS conference delegates Exhibition open – Lunch available			Exhibition Hall
13:00-14:00	Conference Opening <i>Chair: Maarten Taal and Simon Ball</i> <i>Developing services to improve care – why other people resist your brilliant ideas and change, and what to do about them!</i> Speaker - Steve Andrews: Associate Director Leadership & Change, East & North Hertfordshire NHS Trust			Plenary Room
14:00-15:30	Plenary Room	Studio 1	Studio 2	EMCC
	CPD: Patient Involvement <i>Focus on the ‘How to’ get patients involved</i> <i>Positives and negatives</i> <i>Facilitator: Rick Fielding</i> Speakers - TBC and patient representative	Industry Sponsored Symposium <i>MDT management of ADPKD in the era of JINARC® (tolvaptan)</i> Speakers: Grahame Wood, Consultant Renal Physician,	Industry Sponsored Symposium <i>Patient management in advanced chronic kidney disease: Achieving optimal care</i> <i>Chair: Sir John Cunningham, Consultant</i>	RNG Shared learning - facilitated discussion 3 and 4 Choice of topics: <ul style="list-style-type: none"> • Dietetic services to MDT low clearance clinic • Dialysis biochemistry review meetings

	<p>Brian Gracey - Patient Representative Experience of Contributing to Service Design</p> <p>Cassie Brzoza - Patient Representative Feeling Empowered and Being Part of a Research Patient group</p> <p>Group Discussion</p> <p>Learning Outcomes:</p> <ul style="list-style-type: none"> • To understand the value of patient participation to improve patient experience and clinical outcomes • To learn how to engage individuals and patient groups to participate in their care • To know how to work with patient groups to improve clinical services 	<p>Salford Royal NHS Foundation Trust</p> <p>Elizabeth Houghton, Clinical Nurse Specialist, Royal Free London NHS Foundation Trust</p> <p>Hayley Wells, Principle Renal Transplant and Urology Pharmacist, Guy's and St Thomas' NHS Foundation Trust, London</p> <p><i>Sponsored by Otsuka</i></p>	<p><i>Nephrologist, The Royal Free Hospital, London</i></p> <p>Speakers - Professor David Wheeler, Honorary Consultant Nephrologist, Professor of Kidney Medicine, The Royal Free Hospital, London</p> <p>Sheila Johnson, Renal Nurse, The Royal Free Hospital, London</p> <p>Dr Lina Eliasson, Principal, Divisional Lead Europe at ICON Plc</p> <p><i>Sponsored by Vifor Fresenius Medical Care Renal Pharma UK Ltd</i></p>	<ul style="list-style-type: none"> • Moving forward with patient resources – who is using what (internet and app resources) • Renal dietetic team leaders/managers challenges and threats to dietetic funding • MDT patient management e.g. joint physio and dietetic weight management clinics • Use of nutrition screening tools • Doing dietetic audit and research as part of your clinical role • Patient and public in improving dietetic services and research ideas

-----------------	--

Thursday 27th April

08.00	REGISTRATION				
09.00	Plenary Room				
–	Keynote Address				
10.30	<i>Chairs: Helen Hurst and James Burton</i>				
	<i>Transforming the patient experience by bridging the inequality divide within the NHS</i>				
	Speaker - Ruth Passman: Deputy Director and Lead for Equality and Health Inequalities, NHS England				
	Oral Abstract Presentations				
	O01 - <i>Acute Kidney Injury days or time to recovery a novel sensitive metric for AKI improvement</i>				
	Prasanna Hanumapura: Central Manchester Foundation Trust				
	O02 - <i>Socioeconomic Inequalities in community and hospital-acquired AKI</i>				
	Hilda Hounkpatin: University of Southampton				
	O03 - <i>Unequal access to home therapies for ethnic minority groups and people living in socially deprived Areas: Results from UK Renal Registry</i>				
	Matthew Tabinor: Royal Stoke University Hospital				
10.30	Exhibition				
-	Coffee Break				
11.05					
11.05	Moving Care Closer to Patients	CPD: Access to Vascular Access	Introducing Creativity in Patient Care	Inequalities and Barriers to Accessing	Workshop Finding your future in
-					
12.35					

<p><i>Chairs: Tanya Barnes and Paula Ormandy</i></p> <p><i>Improving access to home therapies</i> Speaker - Natalie Borman: Consultant Nephrologist, Portsmouth</p> <p><i>Shared care</i> Speaker - Martin Wilkie: Consultant Nephrologist, Sheffield Teaching Hospitals</p> <p><i>On my way home: delivering dialysis in primary care</i> Speaker - James Burton: Honorary Consultant Nephrologist, University Hospitals of Leicester NHS Trust</p> <p>Oral Abstract Presentations</p>	<p><i>Facilitators: Nicola Thomas, Katie Fielding, Jacqueline Ross and Kristine Paule</i></p> <p>Learning Outcomes:</p> <ul style="list-style-type: none"> • To understand the underlying anatomy and physiology of VA • To discuss the complications associated with VA and how to prevent them. • To examine best practice for assessment, monitoring and surveillance of AVF / AVG 	<p>Supported by the Renal Nutrition Group</p> <p><i>Chairs: Fiona Willingham and Harriet Williams</i></p> <p><i>BP Management beyond the clinical: a community approach to salt reduction in a Bangladeshi population</i> Speaker - Dr Ione de Brito-Ashurst: Royal Brompton Hospital</p> <p>Oral Abstract Presentations</p> <p><i>O07 - A Quality Improvement Project to Assess if Innovative Intensive Phosphate Dietary Education Can Help Reduce Phosphate Levels to the Recommended Range</i></p>	<p>Renal Psychosocial Provision Supported by Renal Psychologists Network, Renal Social Workers and Renal Psychological Services Groups <i>Chairs: Emma Coyne and Amanda Bevin</i></p> <p>Mapping of current renal psychosocial provision in UK <i>Speaker - Emma Coyne: Consultant Clinical Psychologist, Nottingham University Hospitals NHS Trust</i></p> <p>Barriers and how they may be overcome in practise to ensure person centred care - case studies. <i>Speakers - Gillian Chumbley: Psychotherapist/ Renal</i></p>	<p>research <i>Chairs: Helen Hurst and Kate McCarthy</i></p> <p>With representatives from CLAHRC: Carrie Hunt Research Fellow HEE: Bill Campbell Assistant Director KRUK: Elaine Davies Research Director BRS: Research Committee NIHR: Kieran Lee, Senior Programme Manager</p> <p>Aims:</p> <ul style="list-style-type: none"> • Representatives describing pathways into research • Find out ‘what’s available’ • Learn from those who have done it
--	--	--	---	--

	<p>O04 - <i>Empowering patients: A 12 Month pilot transformation project for home, self and shared-care haemodialysis</i> John Woods: Central Manchester Foundation Trust</p> <p>O05 - <i>Home dialysis roadshow pilots - A partnership between dialysis units, patients and industry</i> Fiona Loud: British Kidney Patient Association</p> <p>O06 - <i>Provision of in-centre haemodialysis respite sessions for home haemodialysis patients</i> Trina Poleon: Queen Elizabeth Hospital, Birmingham</p>		<p><i>in a Haemodialysis Population</i> Eileen Duff: Queen Alexandra Hospital</p> <p>O08 - <i>Handgrip strength index predicts survival in haemodialysis patients</i> Tina Dilloway: Imperial College Renal & Transplant Centre, Hammersmith Hospital</p> <p>O40 - <i>Handgrip strength assessment in renal inpatients and evaluation of new UK reference data for clinical application</i> Helena Jackson: St George's University Hospital</p>	<p>Counsellor, Cambridge University Hospitals NHS Foundation Trust, Jeff Cove: Consultant Clinical Psychologist, Royal Free London and Margaret Eyre: Renal Social Worker, City of York Council</p> <p>Addressing the inequalities in psychosocial service provision: what needs to change? <i>Speaker</i> - Amanda Bevin: Renal Counsellor, Kent & Canterbury Hospitals.</p>	
--	---	--	---	--	--

12.35 - 13.20	LUNCH	Exhibition Hall
13.00- 13.30	<i>Workshop</i> Writing for Publication Journal of Kidney Care	
		<i>Facilitators: Karen Jenkins, Natasha Devan and Peter Ellis</i>
13.20 - 14.20	MODERATED POSTER SESSION	Exhibition Hall
14.30 - 16.00	Plenary Session <i>Chairs: Ken Farrington and Andrea Devaney</i>	Plenary Room
	<i>The National Picture of Care for Older People 'Making it All Our Business'</i> Speaker - Martin Vernon: National Clinical Director for Older People and Person Centred Integrated Care	
	Mallick Lecture <i>Keep Calm and Ask the Renal Pharmacist</i> Speaker - Caroline Ashley: Lead Pharmacist Renal Services, Royal Free London NHS Foundation	
	<i>Implementation of the European Guidelines for CKD in Older People</i> Speaker - Ken Farrington: Consultant Nephrologist, Lister Hospital	
	Oral Abstract Presentation: <i>O09 - Decision-making for people with dementia and advanced kidney disease: qualitative findings from the conservative kidney management assessment of practice patterns study</i> Shona Methven: North Bristol NHS Trust	

16.00 - 16.30	Coffee Break				
16.35 - 18.05	<p>Partnership with patients: the inequality agenda <i>Chairs: Louise Wells and Fiona Loud</i></p> <p><i>Kidney Health: Delivering Excellence</i></p> <p><i>Achievement through collaboration</i> Speaker - Fiona Loud: Co-chair Kidney Health Partnership and BKPA</p> <p><i>Embedding patient reported experience into future QI</i> Speakers - Paul Bristow: Director of Marketing and Communications, BKPA and Karen Thomas: Head of Programmes, UK Renal Registry</p>	<p>Access to the best end of life care for kidney patients <i>Chair: Edwina Brown and Mick Kumwenda</i></p> <p><i>Supporting patients withdrawing from dialysis</i> Maria Da Silva-Gane: Lead Clinical Counsellor- Renal Medicine, Lister Hospital</p> <p>Oral Abstract Presentations</p> <p>O10 - <i>Haemodialysis patients' understanding and preferences regarding advanced care planning</i> Casey Murray: St</p>	<p>Mind the Gap – Tackling rehabilitation inequalities in kidney care</p> <p>Supported by Renal Rehabilitation Group <i>Chairs: Hannah Young and Ellen O'Connor</i></p> <p><i>Welcome</i> Hannah Young</p> <p><i>Renal Rehabilitation Needs in Pre-Dialysis and Transplant Patients</i> Speaker - Ellen O'Connor: Senior Physiotherapist, Kings College London</p> <p><i>Rehabilitation of the Renal Inpatient</i> Speaker - Laura Evans</p>	<p>CPD: Education committee Telemedicine-healthcare in the future? <i>Facilitators: Seema Singh and Kate McCarthy</i></p> <p><i>Empowering patients to manage their kidney disease</i> Speaker - Sally Rennison, Patients Know Best</p> <p><i>Our experience incorporating digital technology in Respiratory medicine</i> Speaker - Dr Mel Wickremasinghe, Consultant in Respiratory Medicine and Anne Marie</p>	<p>Haemodialysis <i>Chairs: TBC</i></p> <p>O13 – <i>'Statistically Significant' meaningless to the patient!</i> Daniel March: University of Leicester</p> <p>O14 - <i>A service evaluation of in-centre nocturnal haemodialysis programme in Leicestershire</i> Katherine Hull: John Walls Renal Unit, Leicester</p> <p>O15 - <i>Alternate day in-centre haemodialysis - acceptability to renal patients and staff</i> Janine Hawkins: University of Hertfordshire</p>

<p><i>Patient Activation and Patient Reported Outcome Measures - Implementation and benchmarking data from the UKRR</i> Speaker - Rachel Gair: Person Centred Care Facilitator, UK Renal Registry</p> <p><i>ACE – Acceptance, Choice and Empowerment for pre-dialysis patients: Peer Educator based community project</i> Speakers - Maz Ali: Peer Educator Co-ordinator, Kidney Research UK & Heart of England Foundation Trust (HEFT), Jyoti Baharani: Consultant Physician and Nephrologist, Clinical Director, HEFT and</p>	<p>George's University Hospitals NHS Trust</p> <p>O11 - <i>Priorities MDT: A single centre experience of complex decision-making in renal patients approaching end of life</i> Elizabeth Mumford: Royal Free Hospital</p> <p>O12 - <i>Quality of life in frail older people with end stage renal disease - How does dialysis compare with conservative kidney care?</i> Osasuyi Iyasere: John Walls Renal Unit, Leicester</p> <p><i>Debate: Patients with ESRD for conservative care should not be managed by</i></p>	<p><i>An Introduction to Frailty and Rehabilitation in End-Stage Renal Disease</i> Speakers - Hannah Young: NIHR Research Physiotherapist, University Hospitals of Leicester</p> <p><i>Physiotherapy in Conservative Care- A Functional Challenge</i> Speaker - Lindsey Kilshaw: The Royal Liverpool and Broadgreen University Hospitals NHS Trust</p> <p><i>Interactive clinical scenarios from a multidisciplinary perspective</i></p> <p>Delegates will be encouraged to apply the knowledge gained in the session in</p>	<p>Russell, Clinical Research Fellow National Heart and Lung Institute</p> <p><i>Telehealth platforms in remote management of Peritoneal dialysis</i> Speaker - Sally Punzalan, Assistant matron Peritoneal Dialysis, Royal London Hospital</p> <p>Learning outcomes</p> <ul style="list-style-type: none"> • Demonstrate an understanding of telemedicine and the variety of modalities it encompasses • Demonstrate an appreciation for the potential for innovation in healthcare delivery and improving patient experience 	<p>O16 - <i>Haemodialysis trigger tool: Our experience over 3 Years after implementation</i> Kelly White: Royal Derby Hospital</p> <p>O17 - <i>Initiating haemodialysis twice weekly may protect native kidney function</i> Raja Mohammed Kaja Kamal: Lister Hospital</p> <p>O18 - <i>P-atients Not P-values: Minimum clinically important difference in the Incremental Shuttle Walk Test and Sit-to-Stand tests following 12 Week exercise intervention in non-dialysis CKD</i> Thomas Wilkinson: Leicester Kidney Exercise Team</p>
---	---	--	--	--

	<p>Neerja Jain, Health Improvement Project Manager, Kidney Research UK</p>	<p><i>Nephrologists</i></p> <p>For - Lynne Russon: Consultant in Palliative Medicine, Leeds Teaching Hospital</p> <p>Against - Rob Lewis: Lead Research Consultant, Portsmouth Hospitals NHS Trust</p>	<p>interactive clinical scenarios and to apply it to their own areas of practice where applicable</p> <p><i>Summary</i> Ellen O'Connor</p>	<ul style="list-style-type: none"> • Demonstrate an understanding of the limitations of technology enabled care 	
19.30	<p style="text-align: right;">BANQUETING HALL - EAST MIDLANDS CONFERENCE CENTRE</p> <p>CONFERENCE DINNER 19:30 – Drinks Reception 20:00 – Take Seats for Dinner 01:00 – Carriages <i>Dress code: Smart – Black tie optional</i></p>				

Friday 28th April

07.30	REGISTRATION & COFFEE	
08:30 - 10.00	Plenary Session <i>Chairs: Karen Jenkins and Sharlene Greenwood</i> <i>Should I just toughen up? How to deal with anti-science</i> Speaker - Esther Crawley: NIHR Senior Research Fellow, University of Bristol Jane MacDonald Lecture <i>Leading the UK Renal Registry through changing times</i> Speaker - Ron Cullen: Director, UK Renal Registry Oral Abstract Presentations O19 - <i>The impact of Cystatin C-based estimates of glomerular filtration rate on chronic kidney disease diagnosis in Primary Care</i> Adam Shardlow: Royal Derby Hospital O20 - <i>The prevalence of lower level emotional and psychological support needs in patients with end stage renal disease: Results from a multi-centre patient survey</i> Sarah Damery: University of Birmingham O21 - <i>Validation of the UKRR/BKPA chronic kidney disease Patient Reported Experience Measure (CKD PREM)</i> Janine Hawkins: University of Hertfordshire	Plenary Room

10.00 - 11.30	<p>Coffee Break</p> <p>MODERATED POSTER SESSION</p>			
11.30 – 13.00	<p>BRS / BKPA Research Forum <i>Chairs: Paula Ormandy and Fiona Loud</i></p> <p>Donna Lamping lecture</p> <p><i>Renal exercise research: Are we there yet?</i> Speaker - Sharlene Greenwood: Lead Renal Physiotherapist, Kings College Hospital</p> <p><i>Prescribing patterns at time of AKI and long term outcomes: results from the ARID study.</i> Speaker - Sue Shaw: Renal Pharmacist, Royal Derby Hospital</p> <p><i>The Renal Inpatient Nutrition Screening Tool (iNUT): A Multicentre Validation Study</i></p>	<p>Putting transplant first: theory into practice -</p> <p>Supported by the BTS</p> <p><i>Chairs: Lisa Burnapp and Richard Baker</i></p> <p><i>Creating the future: building capacity for transplantation</i> Speaker - Richard Baker: Consultant Nephrologist, Leeds University Hospital</p> <p><i>Debate</i> <i>This house believes that the quality of deceased donor organs currently available belies the dictum that 'transplant first' is the best choice for every patient</i></p> <p>For - Derek Manas: Professor</p>	<p>Development, implementation and evaluation of a community kidney service <i>Chairs: Kathryn Griffith and Karen Jenkins</i></p> <p><i>Setting up and delivering the service</i> Speakers - Neil Ashman: Nephrologist, Barts Health and Sec Hoong: Project Manager, Barts Health</p> <p><i>Primary care perspective including development of the trigger tool</i> Speakers - Sally Hull</p> <p><i>Staff and Patient Education</i> Speakers - Helen Rainey and Nicola Thomas: Nursing Team</p>	<p>Peritoneal dialysis update <i>Chair: Simon Davies and Linsey Worsley</i></p> <p><i>Tailoring PD to the needs of the Older Patients</i> Speaker - Edwina Brown: Consultant Nephrologist, Imperial College London</p> <p><i>PDOPPS update</i> Speaker - Martin Wilkie: Consultant Nephrologist, Sheffield Teaching Hospitals</p> <p><i>The Challenges of managing and sustaining a large PD program</i> Speaker - Sally Punzalan: Assistant Matron, Royal London Hospitals</p> <p>Oral Abstract Presentations</p>

	<p>Speaker - Helena Jackson: Renal Dietitian, St Georges University Hospital NHS Foundation Trust</p> <p><i>Would you give a kidney to a stranger? Altruism in a social context</i></p> <p>Speaker – Lynsey Williams: Qualitative Researcher working at the School of Psychology, University of Plymouth</p> <p><i>Body Habitus, Physical Activity and Dialysis Requirement</i></p> <p>Speaker - Sivakumar Sridharan: Acting Consultant Nephrologist, Lister Hospital</p>	<p>of Surgery, Newcastle</p> <p>Against - Simon Ball: Consultant Nephrologist, Queen Elizabeth Hospital, Birmingham</p> <p><i>Case study: Living donor kidney transplantation: imaginative sharing of kidneys how far can we go?</i></p> <p>Speakers - Aisling Courtney: Consultant Nephrologist, Belfast and Jen Lumsdaine: Living Donor Coordinator, NHS Lothian</p> <p>Oral Abstract Presentations</p> <p><i>O22 - A designated young adult service with a youth worker increases engagement of teenagers and young adults with kidney transplants and advanced renal failure, and impacts favourably on clinical outcomes</i></p> <p>Paul Harden: Oxford Kidney</p>		<p><i>O37 - A Qualitative Analysis of Patient and Staff Perceived Advantages, Facilitators and Barriers with Regards to Shared-Care Haemodialysis</i> Elizabeth Garthwaite: Leeds Teaching Hospital</p> <p><i>O38 - How Supportive Are Clinical Teams to Patients Self-Managing?</i> Rachel Gair: UK Renal Registry</p> <p><i>O39 - Measurement Properties of Patient-reported Outcome Measures Used in Patients with Chronic Kidney Disease: A Systematic Review</i> Olalekan Lee Aiyegbusi: University of Birmingham</p>
--	---	--	--	--

		<p>Unit and Transplant Centre</p> <p><i>O23 - Improving understanding of health beliefs and immunosuppression adherence in long-term kidney transplant patients through pharmacist-led consultation and medicines optimisation</i></p> <p>Hayley Wells: Guy's and St. Thomas NHS Foundation Trust</p>		
13.00 – 14.00	Exhibition Hall			
	LUNCH			
14.00 – 15.00	<p>Patient factors in kidney care and transplantation: latest results from the ATTOM study</p> <p><i>Chairs: Rommel Ramanan and Simon Ball</i></p> <p><i>Socio-demographic Barriers to Living Donor Kidney Transplantation</i></p> <p>Speaker - Diana Wu: Research</p>	<p>Understanding inequalities in Kidney Care</p> <p><i>Chairs: Hugh Rayner and Cathy Johnson</i></p> <p><i>How do socioeconomic factors affect dialysis outcomes? Lessons from DOPPS</i></p> <p>Speaker - Hugh Rayner: Consultant Nephrologist, Heart of England NHS</p>	<p>Quality Improvement</p> <p><i>Chairs: Louise Wells and Rob Lewis</i></p> <p><i>Kidney Quality Improvement Partnership (KQuIP)– activity update</i></p> <p>Speakers: Louise Wells: Advanced Clinical Specialist Renal Dietitian, York Teaching Hospital NHS</p>	<p>Digital and AKI Oral Abstract session</p> <p><i>Chair: Helen Hurst and James Burton</i></p> <p><i>O24 - Does Gold Standard communication from secondary To primary care following An inpatient's Acute Kidney Injury affect their outcomes at six</i></p>

<p>Fellow, University of Edinburgh</p> <p><i>Understanding inequity in access to transplantation in the UK</i> Speaker - Rishi Pruthi: Registrar, North Bristol NHS Trust</p> <p><i>Health Literacy prevalence, associations and outcomes in advanced kidney disease</i> Speaker - Dominic Taylor: Research Fellow (ATTOM study), UK Renal Registry, Bristol</p> <p><i>Quality of life and other patient-reported outcomes following kidney transplantation: Insights from ATTOM.</i> Speaker - Andrea Gibbons: Postdoctoral Research Fellow, Royal Holloway, University of London</p>	<p>Foundation Trust</p> <p>Oral Abstract Presentations - Dialysis</p> <p>O30 - <i>"I'm positive and he's better" - Exploring quality of life during the early stages of dialysis in patients and their primary caregivers: findings from a cross-sectional mixed methods study</i> Currie Moore: University of Manchester</p> <p>O31 – <i>Barriers and facilitators to engaging south Asian haemodialysis patients in psychosocial research</i> Roisin Mooney: University of Hertfordshire</p> <p>O32 - <i>Inequality of dialysis access: lived experiences of people receiving haemodialysis in Nigeria</i> Chidiebere Ekuma: University of Salford</p>	<p>Foundation Trust, Co-Chair KQuIP and Graham Lipkin: Consultant Kidney Specialist, Clinical Vice President of the Renal Association and Co-Chair KQuIP</p> <p>Title TBC</p> <p>Speaker - Sajeda Youssouf</p> <p>KQuIP – Home therapies Speaker - Richard Fluck: Consultant Renal Physician, Derby Teaching Hospitals NHS Foundation Trust</p>	<p><i>months?</i> Clemency Nye: Gloucestershire NHS Foundation Trust</p> <p>O25 - <i>Effect of acute kidney injury on chronic kidney disease progression and proteinuria: Baseline results from the ARID Study</i> Nicholas Selby: Royal Derby Hospital</p> <p>O26 - <i>Effect Of weekend admission on mortality associated with severe Acute Kidney Injury in England: A propensity score matched, population-based study –</i> Nitin Kolhe: Royal Derby Hospital</p> <p>O27 - <i>Children and young people with CKD: exploring views on desirable components for a developmentally appropriate, care-management App</i> Ruth Nightingale: Great</p>
--	---	---	---

	<p><i>Alternative approaches to kidney allocation: what do we stand to gain?</i> Speaker - Bernadette Li: Department of Health Services Research and Policy, London School of Hygiene and Tropical Medicine</p>	<p><i>O33 – Screening for depression in haemodialysis patients from south Asian backgrounds: findings from the mood on dialysis: ethnically appropriate screening tools (MODEST) study</i> Shivani Sharma: University of Herfordshire</p> <p><i>O34 - An Interim Analysis of Patient Engagement in The Renal Transplant Clinic</i> Rachel Fraser: Freeman Hospital</p> <p><i>O35 -Risk prediction for acute kidney injury in acute medical admissions in the UK: the risk study</i> Nicholas Cole: Epsom and St Hellier Hospitals NHS Trust</p> <p><i>O36 - The effect of a 3- month intradialytic exercise programme on the uraemic symptoms and quality of life</i></p>		<p>Ormond Street Hospital for Children NHS Foundation Trust/University of Leeds</p> <p><i>O28 - Exploring the use of remote and digital technology to deliver a streamlined dietetic service to haemodialysis patients</i> Tina Dilloway: Imperial College Healthcare NHS Trust</p> <p><i>O29 - Using IT to 'Nudge' healthcare professional decision-making and improve patient experience in the advanced kidney disease clinic</i> Partha Das: Sussex Kidney Unit</p>
